

January 5, 2010

Dear PSS<sup>®</sup>E Users,

You are invited to attend the 2010 Middle East PSS<sup>®</sup>E Users Group Meeting. Join us for a wonderful week of learning and networking!

Discover ways to make your work easier. Learn about our newest and most comprehensive software programs. Network with other professionals, and learn from PSS<sup>®</sup>E users like yourself. Add to your professional development, and help increase your value to your company. Give us your feedback and help shape PSS<sup>®</sup>E software development.

Take advantage of the benefits that being a PSS<sup>®</sup>E user bring!

**Where:** Sheraton Deira Hotel, Al Mateena Street, Dubai, United Arab Emirates

**When:** Sunday, February 21, 2010 (with interactive workshop Saturday afternoon, and courses offered Monday through Wednesday.)

Arrive Saturday, February 20, 2010 to join our pre-Users Group activities. We will have an informal reception from 3:30 to 6:30 pm with hands-on demos, discussions, and many PSS<sup>®</sup>E-related products, including Model On Demand (MOD<sup>®</sup>) and PSS<sup>®</sup>DB. Get a glimpse of some new visualization enhancements that will soon be available. Share your PSS<sup>®</sup>E ideas with product and engineering managers. Bring your own laptop, your files, IPLAN programs and automation files, or use a laptop that we provide.

The learning does not end after the Users Group Meeting on Sunday – extend your stay in Dubai, United Arab Emirates to attend the following course offered by Siemens Power Academy TD on February 22 – 24, 2010 – Tuition US\$2,300:

### **PSS<sup>®</sup>E – Introduction to Dynamic Simulation**

This is a fundamental training course on the use of PSS<sup>®</sup>E for dynamic simulation. This course covers overview of PSS<sup>®</sup>E dynamic simulation, data requirements, model library overview, adding dynamic models, data editing and checking, initialization, running dynamic simulations, examining results, and introduction to the use of user-written models in dynamic simulations. Upon completion of this course new users will be acquainted with the commonly used program functions in sufficient detail for them to begin study work involving dynamic simulations. This course includes hands-on experience using PSS<sup>®</sup>E.

- Agenda:** For the complete five day agenda, please [click here](#).
- Cost:** There is no charge to attend the Reception or Users Group Meeting for PSS<sup>®</sup>E users whose companies are current on maintenance and support for their perpetual lease. Users whose company is not current on maintenance and support may still attend; a charge will apply.
- Lodging:** Sleeping rooms can be reserved at the Sheraton Deira, Dubai, United Arab Emirates, by calling (971)(4) 268-8888 or online at [www.sheraton.com/deira](http://www.sheraton.com/deira).
- Registration:** Meeting and course space is limited – register early so you do not miss out. [Click here](#) to register by **February 3, 2010**.

If you have any questions, please contact [michele.drebitko@siemens.com](mailto:michele.drebitko@siemens.com).

We look forward to seeing you in Dubai, United Arab Emirates!
